Term 4 - Number 19

Thursday, 22nd February 2024

X @StSampsonsPri

I hope that you had a lovely half term break, despite the not so cheerful weather!

We have a busy term in the run up to Easter. As always, please do check the school calendar on our website for key dates. We actually don't break up until the Easter weekend itself (unlike schools in Gloucestershire), so please don't be caught out by that. Year 5 are out today visiting the Oxford Science Centre - I am looking forward to hearing about it later!

Yesterday, Mr Sexton, Mr Cliff and Mr Robinson spoke to the children about some new playground activities that will be available at lunchtimes, starting from next week. Initially, the new elements will be a sound station, some chalks and some tyres. We are hoping to grow this provision as the children learn to use and play with them!

It is nice to see some of our children proudly wearing their guide / scout uniforms today on 'World Thinking Day'. Remember that Year 5 are welcome to do this tomorrow if they would like to.

Our value that we will be exploring and thinking about this term is 'Humility'

Reminder please: Hair accessories should be school colours only. Thank you!

10p Toast

If you have not pre-paid for toast on parentmail for this term, or you child is not eligible for pupil premium, please remember that your child needs to bring in 10p for toast each day.

Friday 15th March - Red Nose Day is coming!

Our Community Leaders have met and are leading the way to raise money and have a giggle at the same time on Red Nose Day!

- All children are welcome to come to school in non-school uniform and even better if you can wear something red!
- At 3:15 we will have a 'Small Change Soak Off' where you can fill a bucket with small change and we will fill a bucket with water....to soak some of our willing teachers on the middle playground!
- We won't be selling Red Noses in school but children are welcome to wear them on the day - they can be bought from Amazon.
- We also have a Just Giving page, so donations can be made online too! Simply search for St Sampson's Primary on Just Giving.com or follow the link:

Thank you for your continued support

Mrs Nicholas and the Community Leaders
